

# PETROL (GASOLINE) ENGINE WITH MPI FUEL INJECTION CUTAWAY (manual)

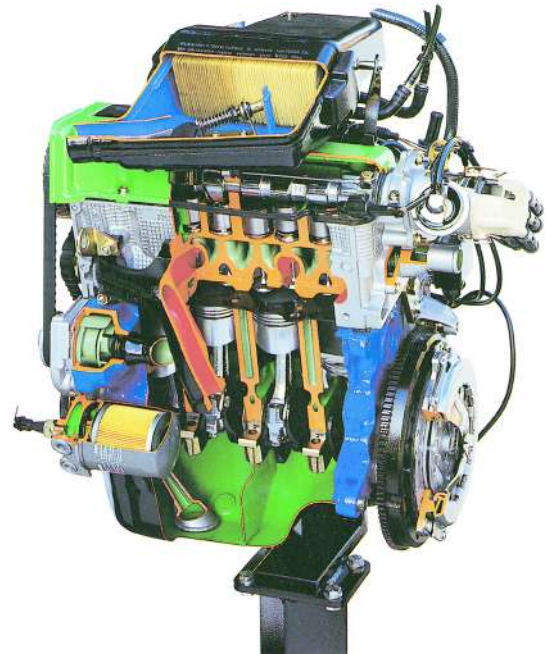

A1

Product number

AE45212IEM

Cutaway view of a 4-cylinder, 1245 cc petrol (gasoline) engine with electronic multi-point fuel injection and electronic ignition. The engine operates manually with handle, allowing for safe and controlled observation of internal components and operational principles. Visible key components of the cylinder block, crankshaft, camshaft, valves, pistons, connecting rods, timing belt, fuel injectors, ignition coils, and spark plugs.

## Features

- 4-cylinder, 1245 cc engine configuration
- Electronic multi-point fuel injection system
- Electronic ignition system
- Cutaway design for clear visibility of internal components
- Manually operated with handle for safe and controlled operation
- Reduced engine speed for detailed observation
- Toothed belt drive for timing accuracy

## Specifications

- Dimensions: 670 x 870 x 850 mm (26.4 in x 34.3 in x 33.5 in)
- Weight: approx.. 60 kg (132.3 lbs)
- Product number: AE45212IEE
